

THE MHI 3DIAMOND LOYALTY SCHEME

The MHI 3Diamond Loyalty Scheme recognises installing contractors of Mitsubishi Heavy Industries Air Conditioning that are loyal purchasers of the brand, and that also invest in their own engineer training to ensure MHI is installed, maintained and commissioned to the very best quality levels.

The scheme is open to all F-Gas certified contractors purchasing MHI finished products from MHI Direct or any wholesaler within the Beijer Ref Group.

Our wholesalers are HRP, Dean & Wood, RW Wholesale and DWG Ireland. Rewards are based on your accrued spend which can be across one or more different wholesalers.

The MHI Direct team can arrange next-day UK delivery free of charge. Alternatively you are never far from an MHI wholesaler. If you prefer to collect from one of our 47 branches throughout the UK and Ireland.

Mitsubishi Heavy Industries Air Conditioning is supplied with 5 Year Warranty as standard.

Once your spend reaches £30,000 you will be invited to join the MHI 3Diamond Loyalty Scheme as a 3Diamond Dealer.
