

Beijer Ref UK & Ireland

## Handyperson

Location – Morley, Leeds

We are recruiting a Handyperson, based from our national refrigeration distribution centre in Morley, Leeds, who is willing to travel extensively throughout the UK, with regular nights away.

As Handyperson, you will undertake general maintenance work throughout the properties within the Group.

Your main duties and responsibilities will include:

- Prepare work to be processed by reviewing work requests; resolving questions; prioritising projects
- Manage and procure products to facilitate repairs and maintenance
- Maintain safe work procedures, i.e., erecting scaffolds, ladders, safety barriers, etc, according to prescribed protocols
- Protect equipment, furniture, floors by using dust sheets and other protection
- Source additional resources to assist in the more complex or specialist tasks. For example, an electrician or heating engineer
- Manage maintenance schedule of Group properties
- Wear the appropriate 'work wear' provided by the company and uphold our business image

We are looking for someone who has the following skills:

- Relevant trade skills to carry out planned and reactive maintenance tasks
- Reliability and flexibility to support the nature of the business
- Good communication skills
- Must hold a full UK driver's licence

### Benefits

As well as a basic salary, we also give you a company van, 25 days' holiday plus 8 bank holidays (increasing by 1 day per year up to year 5 where you will be entitled to 30 days' holiday), company auto enrolment pension scheme, life assurance (4 x salary), employee assistance programme, and the opportunity to work in a friendly environment.

### Who are we?

Beijer Ref UK & Ireland is a leading group of refrigeration and air conditioning wholesalers, with 47 branch outlets and utilising two distribution centres for centralised stock. There are 4 wholesalers within the group – Dean & Wood, HRP, RW Refrigeration Wholesale and DWG Refrigeration Wholesale (Ireland). Also within the group is our MHI (Mitsubishi Heavy Industries) air conditioning business, Beijer Ref Refrigerants and Beijer Ref Academy.
