IMPORTANT CHANGES – CYLINDER DEPOSITS / RENTALS

In order to provide you with an improved service and increased flexibility, we will be changing our procedure for cylinder charges.

As from April 2018, and as an account customer, you will benefit from six months free rental on all standard refrigerant and recovery cylinders. Following the six months free rental, and in line with industry norms, a monthly rental fee will be invoiced:

Cylinder Type	Monthly Rental Charge
12L (Small) Steel Refrigerant Cylinder	£4.75
26L (Medium) Steel Refrigerant Cylinder	£4.75
61L (Large) Steel Refrigerant Cylinder	£4.75

The cylinder rental will continue until the cylinder is returned or has been on rent for 18 months (including the free rental period).

Following the 18 months, a non-return cylinder charge will be invoiced. Should the cylinder be returned between the 18th and 24th month, 50% of the non-return charge will be credited.

Cylinder Type	Non-Return Charge	18-24 Month Credit
12L (Small) Steel Refrigerant Cylinder	£52.00	£26.00
26L (Medium) Steel Refrigerant Cylinder	£105.00	£52.50

(Large) H/P Refrigerant Cylinder	£4.75

The cylinder rental will continue until the cylinder is returned or has been on rent for 15 months (including the free rental period)
